

Freight Restrictions: The crew handles all freight items. Due to quantity, size, weight, space limitations, weather conditions, loading & unloading times and safety and convenience of passengers, the crew may limit the amount of freight carried on a particular trip. Our passenger ferries will **not** accept items such as furniture, lumber, construction equipment, beds, trees, wagons etc. Compressed gas and flammable liquids are not permitted as well.

Passenger Security & Boarding Information: The following is with respect to the Maritime Transportation Security Act of 2002 and other United States Coast Guard regulations:

- All luggage should have the owner's name and destination clearly indicated.
- At nationally heightened security levels personal items may be inspected and picture identification may be checked.
- Two pieces of hand luggage are allowed at no charge to the passenger.
- Extra items and freight are subjected to a minimum additional costs of \$2.00 per item.
- Additional freight should be clearly labeled with the owner's name and destination.
- Shopping carts and carriers are permitted at a minimum of \$5.00.
- Loaded wagons will not be allowed, nor will items secured by bungee cords.
- Passengers are required to act in a safe, non threatening manner.
- Please keep dogs leashed on terminal property and on the boats. You are responsible for your pets actions and cleanliness.
- No Smoking on docks or ferry.
